

LOST OUR HOME PET FOUNDATION

Thanks to the generosity of our Subscribers at TECHNO-PLAOOZA 2010 who purchased raffle tickets for chances to win three FREE 2010-11 ARMLS Yearly Subscriptions, ARMLS® was proud to present **\$2,500** to Lost Our Home Pet Foundation.

This donation will be put to good use for the unfortunate, innocent victims of the Valley's foreclosures. LostOurHome.org also had a booth at TECHNOPALOOZA where Director Jodi Polanski and REALTOR® Brenda Breit were able to collect donations, sign up volunteers and garner a list of Realtors willing to assist in their most critical need, finding foster homes for abandoned pets until they can either be reunited with their owners or found permanent homes.

As always, Realtors have big hearts and continue to come to the rescue.

There is much opportunity to be involved with the Lost Our Home Pet Foundation. You can donate, foster, help raise money, adopt, volunteer, etc. There is something for everyone who wants to help, even if you can't take in an animal. To learn how you can help go to <http://www.lostourhome.org/how-you-can-help/> or call 602-230-HELP(4357).

These Golden Girls, Birdy and Duchee, are best friends and they hope they get to spend their golden years in a loving home together. Birdy and Duchee are special Senior pets who were surrendered together to the Arizona Humane Society as a result of a foreclosure. Lost Our Home Pet Foundation took these girls in to prevent them from being euthanized at the shelter due to their age. Birdy and her sister Duchee are very bonded and it would be wonderful if they can stay together on the buddy system. Their adoption fee would be \$247 for both of them as a pair.
