# Choose your Privacy Settings

The screenshot shows the Facebook 'Choose Your Privacy Settings' page. At the top, there is a navigation bar with the Facebook logo, a search bar, and links for Home, Profile, and Account. The main heading is 'Choose Your Privacy Settings'. Below this, there are three main sections: 'Basic Directory Information', 'Sharing on Facebook', and 'Applications and Websites'. The 'Sharing on Facebook' section is the primary focus, showing a table of settings for various items. The 'Custom' option is selected in the left-hand menu. The table lists items like 'My status, photos, and posts', 'Bio and favorite quotations', 'Family and relationships', 'Photos and videos I'm tagged in', 'Religious and political views', 'Birthday', 'Can comment on posts', 'Email addresses and IM', and 'Phone numbers and address'. Each item has a dropdown menu with options: 'Everyone', 'Friends of Friends', 'Friends Only', and 'Other'. A 'Customize settings' link is at the bottom left of the table, and a green checkmark indicates 'This is your current setting.' at the bottom right. Below the table, there are three more sections: 'Applications and Websites', 'Block Lists', and 'Controlling How You Share'. The footer contains copyright information, links for About, Advertising, Developers, Careers, Privacy, Terms, and Help, a chat notification for 12 people, and a taskbar showing 'Done', 'Internet | Protected Mode: Off', and '100%' zoom.
